Historic Piano for Library.

The first piano ever received in Pendleton is today installed in the club room of the new county library. The piano, a Weber that still retains its original liquid tone, was brought into Pendleton by mule team in 1878 from Umatilla, to which town it had been shipped by boat. Its arrival in Pendleton was witnessed by a large crowd and was considered quite an event. Another piano received at the same time was later burned in the fire that destroyed the Christian church. Two years later, Mrs. Pruitt and her mother, Mrs. Anna Raley, and her grandmother, decided to go east to take music lessons and had to travel to San Francisco first to take a train, that being the nearest point with train connections. The piano has been tuned and is in good condition for use. It is presented by Mrs. W. C. E. Pruitt.

By this time next year it is the hope of the campaign committee that such communications may be compiled with.

At the serving hours the hostesses were assisted by Miss Helen Thompson, Miss Thelma Thompson, Miss Gertrude McConnell and Miss Lula Matlock. MISS CLARA BISHOFF

NEW YORK, Oct. 15.—Inability to provide for herself and her invalid mother has led Miss Clara Bishoff, of Greenport, L. I., to make an unusual effort to marry any honest and respectable man who will provide for her and her mother.

Miss Bishoff makes the offer in good faith. She and her mother are now living in two rooms in the basement of a doctor's residence in Greenport. The girl has been unable to find employment and in desperation has decided to make the offer of marriage as the only way out of her difficulty.
